

## Statement of Compliance

**Date:** May 5, 2023

**Model Number:** IC-156P-AA2, IC-215P-AA2

**Equipment Category:** Information Technology and Telecommunications Equipment

**Manufacture Start Year:** 2021

We hereby declare under our sole responsibility, that the object of the declaration described above is in conformity with the following directives, harmonized standards and regulations related to product safety, environmental, and electromagnetic compatibility (EMC) requirements.

The following Standards have been tested by a regulated body to assure and certify the product conformance:

### Safety

UL 62368-1

CAN ICES-3(B)/NMB-3(B)

CE

UKCA

PSE

RCM

NOM

BSMI

BIS

### Immunity

FCC Class A

EMC Directive (2014/30/EU)

EN 55032 Class A (Harmonics)

EN 61000-3-2 (Fluctuation/Flicks)

EN 61000-3-3: (EMC Immunity)

EN 55024 / EN 61000-6-1 including:

- EN 61000-4-2 (ESD)
- EN 61000-4-3 (RS)
- EN 61000-4-4 (EFT)
- EN 61000-4-5 (Surge)
- EN 61000-4-6 (CS)
- EN 61000-4-8 (Power Frequency Magnetic Field)
- EN 61000-4-11 (Voltage Dips / Voltage Interruptions)

## Disposal Information

Waste Electrical and Electronic Equipment

This symbol on the product indicates that, under the European Directive 2012/19/EU governing waste from electrical and electronic equipment, this product must not be disposed of with other municipal waste. Please dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate these items from other types of waste and recycle them responsibly to promote the sustainable reuse of material resources. For more information about recycling of this product, please contact your local city office or your municipal waste disposal service.

## Important Safety Instructions

Before using this product, please read the user manual thoroughly to help protect against property damage and to ensure your personal safety and the safety of others. For installation or adjustment, please follow the instructions in the User Manual and refer all servicing to qualified service personnel. Be sure to observe the following instructions.

## Usage Notice

- ! Warning To prevent the risk of fire or shock hazards, do not expose the product to moisture.
- ! Warning Please do not open or disassemble the product, as this may cause electric shock.
- ! Warning The AC power cord must be connected to an outlet with ground connection.

## Precautions

Please follow all warnings, precautions and maintenance as recommended in this user's manual to maximize the life of your unit.

**Do:** Disconnect the power plug from AC outlet if the product is not going to be used for an extended period of time.

**Don't:** Do not operate the product under the following conditions: extremely hot, cold, or humid environment. Areas susceptible to excessive dust and dirt. Near any appliance generating a strong magnetic field.
