

OF-070P-A1

7" Touch Monitor

Description

The OF-070P-A1 is a 7", newly designed, commercial-grade open frame solution. The refined aesthetics, industrial design and built-in mounting system ensures ease of installation, with the ability to endure harshest of environments. With this stylish small form factor design, the OF-070P-A1 is an exceptional choice for a variety of applications requiring a small footprint. It is well suited for point-of-information, point-of-service and small form factor interactive signage. The OF-070P-A1 retains all capabilities to mold a reliable solution for any customer application.
