

MT-BRKT-DD-A1

Dual Display Bracket

Description

The MT-BRKT-DD-A1 dual-display bracket is an optional peripheral designed specifically for the Mach Stand MA-STAND-A2 and the Mach Hub MA-HUB-B2. The rear-facing bracket for a secondary monitor has a VESA 75 x 75 and 100 x 100 mounting pattern. The rugged, all metal construction provides stability while offering a unique design. Cable management space keeps cords neatly organized.
