Accessory

MA-CBRT-A1

Tablet Charging Bay

Description

The MA-CBRT-A1 Charging Bay is a powerful multi-device charging solution designed specifically for the Mach M1-101RT-A1 Android Tablet. Engineered to keep your workforce productive and your devices deployment-ready, the charging bay accommodates up to five tablets simultaneously, delivering reliable 120W charging with individual LED status indicators that clearly display Charging, Fully Charged, and Not Charging conditions.

Built for maximum flexibility, the MA-CBRT-A1 supports multiple tablet configurations, including the base tablet, tablet with hand strap, and tablet with payment holder, eliminating the need to remove accessories during charging.

Constructed with the same rugged design philosophy as the Mach tablet family, the MA-CBRT-A1 provides exceptional stability and durability for demanding commercial, industrial, retail, and field service environments. Whether deployed in a warehouse, on a manufacturing floor, or at a point-of-sale location, this charging bay ensures your tablets remain organized, protected, and ready for action.

Specifications

Number of Bays	**5**
